Golfing for God in Kenya?

It's interesting to watch God at work as He continues His ministry of reconciliation with some unlikely parties all over the world. As we have previously posted, (*The Love of God at work!* and *He was one of them!*) AIA has been building a ministry in the area of Kenya and Rwanda for 8 years.

Last week, God extended an invitation to people of all walks of life from Kenya and the US to join Him at work. His mission: continue reconciling the people of East Africa to Himself. What may look like a golf tournament was really divine invitations to participate in saving lives. The golf outing also facilitated the gathering of financial and human capital for AIA Kenya's current and future operations.

Would you lift up AIA staffer David N. and all who will respond to God's invitation to work together? Please ask the Lord to develop their ministry team, uniting them with a vision to reconcile the people of Kenya and Rwanda to Himself and to defend them from the Evil One who will be trying to stop them. To see the highlights from the East Africa 2011 project, go to www.youtube.com and search for "Athletes in Action East Africa 2011".

Thanks for your partnership with AIA Global Sports!

Give Life Feb 4

"I never really experienced living until I received Christ as Lord," Neal said. He was a successful real estate agent, but felt empty. In Jan 1988 he was invited to the 1st Super Bowl Breakfast. Please lift up this event Feb 4, 8-10 AM! Thousands will be invited to receive the gift of new life in Him. Thank you!

Out of the Mouths of Our Babies

Recently at the dinner table:

Karen (speaking to a junior staff member): "Don't you have any manners?"

Child: "Yes, she has manners."

Karen: "Evidently, only the bad ones!"
